Message

Our Fellowship is the only organized Golfing fellowship of Rotarians in Asia. It is time to enhance our wings to other than South East Asian Countries. We thank you for your overwhelming support to the various events held under the aegis of SAFGR. Our board has decided to organize a golfing fellowship in Malaysia.

Our team under the leadership of Rtn Subhasish Chatterjee has deeply researched to develop this trip and has come out with a value added program at Kuala Lumpur, Malaysia. Kuala Lumpur is a multi-cultural city truly the 'Hub' of Asia.

Selected Golf Courses are of world class with Caddy and Cart in a wonderful setting. While the golfers will be vying for top honors at the two golf courses, the non-golfers will be enjoying an amazing treat, with their outings in the city of Kuala Lumpur. Our team has kept the stay for a short 3 night period leaving enough time for the members to extend their tour and explore any other city in Malaysia.

I humbly request all of you to please enroll yourself in the Malaysia retreat and enjoy the Rotary Golfing Fellowship.

Yours Sincerely,

Message

Dear Golfing Rotarians,
Rotary Fellowships are international groups that share a common passion. Being part of a fellowship is a fun way to make friends around the world, join this global community built around a hobby or passion, and enhance your Rotary experience.

Currently, 113 fellowships unite members in friendship and expand opportunities to enjoy their favorite recreational activities, sports, and passion. These groups range from cycling to skiing, Latin culture to jazz, doctors to photographers, and even wine-tasting to beer & among these Golf is one of the most popular fellowship group.

South Asian Golfing Fellowship (SAFGR) having more than 500 members enjoy the game of Golf and encourages golf among the Rotarian fraternity throughout the year. Every year SAFGR organizes an Annual Cup where its Members enjoy Golf along with their families and support funds for philanthropic services.

This year SAFGR thought of taking this Annual Asia Cup 2024 beyond the border of south asia and chose to hold the tournament in the capital city of Malaysia at Kuala Lumpur in its picturesque Golf course from 14-17 November, 2024.

On behalf of SAFGR organizing committee I extend a warm invitation to you to join us to play rounds of Golf at Glenmarie Golf Courses, a lush expanse that is cascaded with outstanding sceneries and tranquil water bodies - you couldn't ask for a better backdrop to play golf in Malaysia! The course is just 13 kilometers away from the Kuala Lumpur City Centre, Glenmarie Golf & Country Club is an award-winning golf course that's perfect for amateurs and pros alike! Make use of an array of amazing facilities that cater to a golfer's every need and focus on getting that perfect swing!

Come & enjoy a world class golfing experience in Malaysia clubbing your short family vacation pre or post the event.

Looking forward to seeing you at Glenmarie !
